Mr. John T. Campbell  
Head, BBC Monitoring Service  
Caversham Park  
Reading, Berks., England

Dear Mr. Campbell:

FBIS is most happy to welcome you to your new post. I am sure that we can maintain and perhaps even exceed the high record of joint accomplishment which has been established. We will welcome any opportunity to demonstrate our appreciation for the cooperative manner in which the BBC has helped us with our problems.

STAT

I am taking a three month leave from FBIS to work in the office of my immediate superior, [redacted] During this time [redacted] will be Acting Chief, FBIS. I shall not be entirely removed from monitoring matters, and through Roger I hope to keep abreast of developments.

STAT

I am glad that we have met, even though briefly, and look forward to furthering our acquaintance before very many months have passed. If Richard hasn't already left, please give him my best wishes for success and happiness.

Sincerely,

STAT
